Heatmap visualization showing depth profiles (Depth in cm) over time (Year). The color scale ranges from 1 (black) to 4 (green).

The X-axis represents Depth (cm), ranging from 50 to 250. The Y-axis represents Year, ranging from 1998 to 2022.

The color bar indicates the magnitude of the data, with values ranging from 1 (black) to 4 (green).
